

Compass Chambers' Annual Conference will take place on Friday 8 June 2012 at the Kingsmill Hotel, Inverness.

The programme provides a comprehensive review of the latest procedural and policy developments in Compass Chambers' core areas of Reparation, Regulatory Crime and Professional Negligence.

The Inverness conference aims to provide delegates with up-to-date information regarding the important issues concerning these core areas along with the opportunity to discuss some of the most significant and current developments.

Members of Compass Chambers who specialise in these areas will lead the seminars.

The conference is FREE to attend, however, Compass Chambers have chosen the Children's Hospice Association Scotland (CHAS) as their nominated charity for 2012 and would appreciate any donations on the day to this worthwhile cause.

The programme will commence at 1pm with registration and run through until 5pm. A drinks reception and buffet will follow to which all conference attendees are invited. Delegates may claim 3 hours of CPD.
